Sir:

LETTER TRANSMITTING MISSING PARTS OF APPLICATION

With reference to the Notice to File Missing Parts of Application - Filing Date Granted, mailed April 9, 1996 here is the Combined Declaration and Power of Attorney for Patent with copy of the specification attached thereto, as well Assignment document for this case.

These documents relate to this application, and have been signed by the inventors whose names were given on Form PTO-1082 express mailed February 20, 1996 transmitting the specification. Acceptance of this Declaration and Assignment and filing of the same are requested.

As to the missing fees, we do not understand why items #1 and #2 were checked on Form PTO-1533, because despite our miscalculating the total fee for additional claims on Form PTO-1082, we had authorized the Commissioner to charge any additional fees required under 37 CFR 1.16. Therefore, please proceed with charging the total amount of \$1,554.00 to our Deposit Account 08-2336, which includes the surcharge of \$130 required to cover the late filing of the

Declaration. For this purpose this letter is submitted in duplicate. Any deficiency or overpayment should be charged or credited to Deposit Account No. 08-2336.

Respectfully,

G. MORINI et al.
